

PBI JUNIOR EXCELLENCE PROGRAM

Peter Burwash International, the leaders in Professional Tennis Management since 1975

The PBI Junior Excellence tennis program was created in partnership with Sea Gate Elementary School. The program offers weekly classes for all Naples Residents year round for beginners through competitive level players.

PBI's Tennis for Life® instruction is a simplified and common-sense approach to teaching tennis which, over more than thirty years, has benefited millions of tennis enthusiasts worldwide. This approach to teaching the game is not a "system." The concept that "we teach individuals not systems" is shared by PBI pros worldwide and provides an opportunity for tennis players of all ages and abilities to get their games "unstuck" and get to the next level. PBI has taught children from their beginning stages to Grand Slam tournament play and coached many high level Junior players as well as Davis and Federation Cup teams.
